Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the *Herriman Frontage Road Bypass* in surface transportation reauthorization legislation.

The project sponsor for this project is *Herriman City* and is located at *Frontage Road Bypass, Herriman City, UT 84096*.

The funding is designated for *building 1.5 miles of collector road, utilities, and two traffic signals*.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: *This project will provide additional access to the Mountain View Corridor highway and allow commuters to bypass the 12600 South interchange. These improvements will assist in mitigating traffic congestion and help improve air quality. This project will also repurpose an unnecessary Utah Department of Transportation detention pond. This project will provide access to over 90 acres of commercial property and will be the economic base for Herriman for job creation and new commercial property.*

I certify that neither I nor my immediate family has any financial interest in this project."

Sincerely,

Burgess Owens
